TRANSPORTATION -- STATE HIGHWAY PROGRAM

Highway Reports

Motion:

Move to require DOT to produce the following: (a) a report, produced on an annual basis, that shows the schedule for enumerated major highway development projects, including the projected expenditures in each year for each project; (b) a report, produced on a biennial basis, that provides statistics on the condition and performance of state trunk highways, including pavement smoothness and distress, geometric deficiencies, safety problems, structural and functional bridge deficiencies and traffic congestion; and (c) a report, produced on a biennial basis, showing the funding provided for transportation programs and transportation revenues for at least the previous 15 years, including changes to funding levels following the enactment of biennial budget bills and an explanation of any major changes made to base funding levels in the most recent biennial budget.

Note:

This motion would establish three reporting requirements for the Department of Transportation.
